

## ***PRESS RELEASE***

### **WESTLAND PRINTERS AWARDED FOR OUTSTANDING PRINTING**

**Greenbelt, Maryland, April, 2010**— Westland Printers has earned a Best of Category award for superior work in Postcards and Self Mailers – Large Press Process in the 2010 Excellence in Print competition. The annual contest is sponsored by the Printing & Graphics Association MidAtlantic (PGAMA), and showcases the skills of commercial printers, engravers, embossers, binders, designers, and others in the industry as they vie for the honor of being named the Best of Category. Awards were presented during the Excellence in Print Gala held at Martin’s Crosswinds in Greenbelt, MD.

From hundreds of entries, an independent panel of experts selects the very best works based on qualities such as precision of color reproduction, use of design, and level of difficulty. Awards are divided by the media type and process, as well as the size of press on which the item was created.

Westland Printers is a full-service printing firm with capabilities including offset & web presses, foil stamping, embossing, die cutting, folding and binding.
